

# MOEIN KERMANIZADEH TAVAKOLI

**Email:**

m.kermani1991@gmail.com@gmail.com

## Summary

---

I have accepted for M.Sc. in Medical Engineering and Analytics at Carinthia university of Applied Sciences recently (for winter semester 2023/2024) and my plan is to move to Klagenfurt. I already have some experienced in programming languages including HTML5, CSS and JavaScript and want to improve my skills and knowledge in web development and also continue to work in this field after that. That's why I am applied for this internship in front end Web development.

## Skill Highlights

---

- CSS/HTML5
- JavaScript
- Python

## Familiar with

---

- UI/UX
- Git
- C/C++

## Experience

---

**Programming internship** - 02/2022 to 01/2023

IMT college, New York

- Introduction to Computer Science
- Programming languages and algorithm
- Machine learning and Deep learning with Python

## Education

---

Accepted for M.Sc. in Medical Engineering and Analytics at Carinthia university of Applied Sciences:  
**winter semester 2023/2024**

## Languages

---

English – B2

Germany – A2
